How to report a crime or information about a crime:

241-STOP (7867) 1-800-221-STOP (7867)

A special Crime Stoppers phone line (which is not recorded and does not have caller ID) is staffed with trained personnel. Information provided by the caller is routed to the appropriate law enforcement agency that is investigating the case.

www.241stop.com

Get on the internet and go to www.241stop.com. On the left hand column click on "submit a tip online". This will take you to another page where you can report the necessary information. Follow the on screen instructions. DO NOT include your personal information when reporting. You are still eligible for a reward when reporting information either by phone, computer, or texting.

Text 'TIP729 plus your message to CRIMES (274637) on your cell phone or mobile device.

For example: *"TIP729 John Doe is selling drugs on the TJR campus behind the gym!"*

Phone number you are texting to is **"274637"** (CRIMES) this is only a 6 digit number. "TIP729" designates the tip as a Mesa County tip. If you don't put in 'TIP729' the tip will not be routed to Mesa County.

Crime Stoppers of Mesa County is a non-profit organization administered by a local, volunteer Board of Directors. Crime Stoppers of Mesa County relies on tax-deductible contributions and annual fundraisers to administer the reward program.
